The Owner/Customer agrees to the Following (to be completed by the District):

Terms and Conditions:

1. The Owner/Customer shall pay \$_____ to the District for the cost of the meter. **A \$10.00 Account Set Up Fee** will be assessed for the domestic account when the customer pays for the meter.
2. That the District, by its representatives, shall have the right to enter the premises of the Applicant at a reasonable time to make such inspections as it may deem necessary, and it shall have the right to attach any testing device or use any means it may elect to ascertain the condition of the pipe and appurtenances and the uses made of same.
3. That the extent of the rights of the Applicant under this application is to receive such supply of water as shall then be available and no other or greater.
4. That the District shall not be considered in any manner an insurer of property or persons, or to have otherwise, and that it shall be free and exempt from any and all claims for damages on account of any injury or property or persons by reason of fire, water, failure to supply water or pressure, or for any other cause whatsoever.
5. **The Owner/Customer shall install an approved _____ backflow preventer** downstream of the District meter. (Application for a Cross Connection Permit shall be made to the Maine Department of Human Services, Division of Health Engineering on forms provided by the District, as required.)
6. That the rights and obligations of the Applicant hereunder shall be further subject at all times to the rates, rules and regulations of the District on file with the Maine Public Utilities Commission, that now exist or which may hereafter be adopted and placed on file.
7. The District will make the connection between the District portion of the service line and yours. Simply call us (or have your contractor call) and request a "connect and inspect" for us to make the connection.
